

We have some exciting changes at International Facilities North that we want to share with you.

New Markets

ProBuilders Insurance - GL coverage for Artisan Contractors from a company who specializes in construction. Tailored liability insurance for everyone from small artisans to larger general contractors focusing on residential building. Rates are based on gross receipts and the program is available to contractors with gross receipts up to \$1M. Standard GL limits of \$1M/\$2M apply with a minimum premium of \$1,150. Program is available in 49 states. General contractors with up to \$1.5M in gross receipts are also eligible. **New Ventures Acceptable**

Workers Comp for Contractors/Artisans - Workers Comp just got easier for contractors with our new markets. Wide range of acceptable class codes and competitive pricing available

Zurich Insurance - Aggressive on Work Comp for **Agriculture** such as Farms-Machinery, Farms-Berry & Drivers, Packing Houses and Fruit Packing

Zurich - Online - Work Comp for "main street" business including new ventures. Pricing is very aggressive
